Hamarskjold In London On Way to China

Says He Doubts He Can Persuade Reds To Free Prisoners

LONDON (U.P.)—United Nations Secretary General Dag Hammarskjold arrived here today on the first stage of his 14,000-mile "free-the-fliers" mission to Red China.

The special U. S. Air Force plane that brought Hammarskjold here from New York touched down at London airport in soupy weather shortly after noon.

He told newsmen at the airport that he doubts he will be able to persuade Communist Premier Chou En-Lai to free 11 U. S. airmen and 2,850 other allied military men held in Red jails.

"But I will do my best," he said.

Dag Refuses Questions

The U. N. official read a prepared statement but refused to answer questions, saying he felt that to do so "would not help operations at this point."

Hammarskjold's statement was essentially similar to one he made just before leaving New York Thursday.

"I believe it would serve a useful purpose to have a personal talk with Mr. Chou En-Lai," he said.

"I do not know what the outcome will be but I will do my best, bearing in mind not only the general international interests involved but also the individual interests of the captives' families."

Huang Hsiang, the charge d'affaires of Red China in London, put in one of his rare public appearances at the airport to welcome Hammarskjold. The Chinese diplomat smiled broadly and shook the secretary general's hand warmly. Stepping inside the airport buildings, the two men huddled for a short talk.

Meets With Eden

Hammarskjold drove from the airport to lunch with Foreign Secretary Anthony Eden at Eden's country home west of London. He will dine tonight with Minister of State Anthony Nutting.

Prime Minister Winston Churchill is said to be vitally interested in finding a way to persuade the Communists to relent.

Hammarskjold will fly on Saturday to Paris, where he will confer with Premier Pierre Mendes-France during a brief stopover at the airport.

Some observers believe Mendes-France will ask the U. N. official to sound out the Communists on prospects for a new international conference which he hopes to arrange early next year.

Hammarskjold found little optimism in Europe about the outcome of his trip halfway around the world. He carried the continent's hopes, but few were willing to forecast success for his mission.

Army to Release 44,000 Draftees In May, June Before Service Ended

WASHINGTON (U.P.)—The Army announced today that it will release some 44,000 draftees next May and June before they complete their two year term of service.

The action is being taken in order to meet lower manpower ceilings. Current plans, which are pending final approval, call for the early release in May of draftees completing 23 months of service and of draftees in June completing 22 months of service.

The Army said it plans to resume the normal 24 months of service for draftees after June.

A similar early release program is planning during March through June for about 3,400 reserve lieutenants serving their initial obligated 24-month tour of active duty. Under the administration's new military manpower program, the

Mrs. Paley Tops List of Best Dressed Women

NEW YORK (U.P.)—Mrs. William S. Paley, wife of the chairman of the board of the Columbia Broadcasting System, today topped the list of the world's best-dressed women for the second consecutive year.

The duchess of Windsor, whom Mrs. Paley deposed as queen of the fashion world last year after a 15-year reign, hit the comeback trail on the 1955 list by tying for second place with Mrs. Byron Foy, wife of a Chrysler Motors executive.

The duchess, who topped from first to 10th place last year, now outranks Princess Margaret of Britain and Queen Frederica of Greece.

Princess Margaret placed third and Queen Frederica tied with movie star Grace Kelly for 10th place. Miss Kelly was named the best actress of the year by the New York film critics.

Mrs. Paley, one of Boston's famous Cushing sisters, was voted the world's best dressed woman by some 1,500 fashion designers, fashion editors, society writers and socialites in the United States, South America and Europe, according to the New York Dress Institute's couture group.

Mamie Fails to Make List
Others on the list are: Mme. Henri Bonnet, wife of the retiring French ambassador to the United States, fourth place; Mme. Louis Arpels, wife of the French jeweler, fifth; Mrs. Alfred Gwynne Vanderbilt, socialite wife of the sportsman, sixth; Clare Booth Luce, U. S. ambassador to Italy, seventh; Mme. Arturo Lopez-Willshaw, Paris socialite, eighth; and Mrs. William Randolph Hearst Jr., wife of the newspaper publisher, and Mrs. Harold E. Talbot, wife of the Air Force secretary, tied for ninth place.

Dropped from the list were Mrs. Oveta Culp Hobby, secretary of health, education and welfare; Mrs. Winston Guest, New York socialite; Mrs. Henry Ford II, wife of the head of the motor company and actress Mary Martin.

Others who placed high in the voting but failed to make the list were Mrs. Mamie Eisenhower, who was on the list two years ago, actress Marlene Dietrich, Queen Elizabeth and her aunt, the duchess of Kent.

China Reopens Spy Charges Against U. S.

Peiping Radio Quotes Alleged Coded Messages

TOKYO, (Saturday) (U.P.)—Peiping Radio today reopened its spy charges against America by quoting alleged coded messages sent by espionage agents from China to Japan.

Peiping Radio monitored here said that messages were printed Friday in the Peiping Peoples Daily, an official organ of the Communist government.

The broadcast said "coded messages to and from U. S. air-dropped spies involved in the Downey-Fecteau espionage case are quoted in articles in today's Peking Peoples Daily."

The Communist broadcast said, "The spies were told by John Thomas Downey that there were thousands of underground forces in the mountains in northeast China. But when they were air-dropped in the mountains of Kirin province, they discovered that searching parties were trying to locate them."

"The code messages," the broadcast said, "to the Aizuki Japan, espionage organization of U. S. Central Intelligence Agency, said: 'Hungry, tired and sick... only two days food left.'"

Says Caught Second Time

The Chinese Communist broadcast claimed that two days later a message was sent which said, "No more food. Can air-drop be carried out... please inform type of aircraft, number parachutes, time air-dropping."

The broadcast said that two days later a message was sent which allegedly read: "Without food for two days. Living on water. Waiting supplies."

Communist China said that the U. S. espionage headquarters in Japan" replied, "Supplies to be dropped between 24th and one hour on 14th, 15th or 16th of August... if homing device damaged, set three to form triangle."

Peiping Radio said, "The supplies came shortly after midnight on August 14, 1952, on a C47 plane with no markings."

Peiping Radio said that "in these circumstances that Downey came again, this time with Fecteau, to bring supplies to the spies and pick up one of them."

"But they were caught," the Communist broadcast said, "after their plane was shot down on the night of Nov. 29, 1953."

Olney Woman Is 105 Today

OLNEY, Ill. (U.P.)—Mrs. Louise Godejohann, probably the oldest resident in southeastern Illinois, turned 105 today.

She celebrated her birthday quietly with her family at her home here where she had lived 81 years. She refused permission to photographers to take her picture. She didn't want any fanfare or publicity, she said.

Mrs. Godejohann is the widow of William Godejohann, who died in 1940. He was the leading cigar-maker of that once thriving Olney trade.

The couple was married in St. Clair County, Ill., in 1871. She was born Louise Lubben in St. Louis, Mo., in 1849.

Mrs. Lulu Norby of Chicago is the sole survivor among her four children.

An active member of the First Presbyterian church here, Mrs. Godejohann likes to walk for exercise. She broke her hip about three years ago, but has completely recovered.

Freak Accident Blocks Suez Canal

PORT SAID, Egypt (U.P.)—A freak accident blocked the Suez Canal today. Authorities said the vital link between Europe and Asia will be closed for at least four days.

The accident occurred at 3 a. m. when the second ship in a nine-ship convoy enroute between Suez and Port Said struck a military bridge across the canal and then ran aground on the sand banks.

The bridge collapsed across the ship, pinning it to the bottom of the channel. The ship was the 10,892-ton Liberian tanker, World Peace, carrying oil to Europe from the Persian Gulf.

Communist Nations Angry At French Action; West Reaction is Opposite

LONDON (U.P.)—Communist East Germany, Poland and Czechoslovakia announced today they will increase their armed forces and take "common defense measures" against a rearmament West Germany.

The official announcement, made by Prague Radio, followed by a few hours a Moscow radio denunciation of French ratification of the Paris accords to rearm Germany. Moscow said the act would aggravate the danger of a new war.

The broadcast from Communist Czechoslovakia's official radio announced the first satellite step in rubber-stamping the decision taken in Moscow Dec. 2 to mass an eight-nation Red military alliance if Western Germany is rearmament.

Delegates of the three Soviet satellites, meeting at the Czech parliament Building in Prague, sent an 11th hour warning to France Thursday against ratification.

Today Radio Prague said they approved a resolution calling for a European collective security pact.

"Our three nations will not remain impassive to the threat of Germany's rearmament and the revival of German militarism," the resolution said.

"We will increase our defense forces in order to lead the policy of peaceful cooperation among nations to a victory over the policy of war."

"The only way to guarantee security for all European nations is the creation of a European collective security system instead of a system of various military blocs."

The Communist action was not unexpected. Communist quarters throughout the world denounced the French action.

Western reaction was the opposite. Almost all the Western allies expressed gratification at the French General Assembly's action. Some expressed disappointment at the small margin of victory of Premier Pierre Mendes-France.

The general feeling in Western circles was one of relief—and wondering what the Communists would do to counteract the action.

A hint of the Communist action came earlier from Berlin where Johannes Diekmann, a Soviet Zone political leader, said Communist East Germany, Poland and Czechoslovakia were building a "firm wall" against West German "militarism."

Eisenhower to Ask 90c Hour Minimum Wage

AUGUSTA, Ga. (U.P.)—President Eisenhower will recommend in his State of the Union Message to Congress on Jan. 6 that the national minimum wage be increased from 75 cents to 90 cents an hour.

Press Secretary James C. Hagerity announced the President's intention today without saying exactly what increase would be sought, but it was disclosed reliably to be 15 cents an hour.

Hagerity said the message "will recommend a substantial percentage increase" and the White House, in addition, said such an increase as 15 cents would be "fair and equitable."

The passing of the French crisis with the vote Thursday in favor of rearming West Germany enabled Mr. Eisenhower to devote more attention to his forthcoming messages to Congress, now in final preparation, and other matters.

The President announced Thursday night the incomplete plans for Vice President Richard M. Nixon to make a goodwill trip into Central America and the Caribbean area next February.

The decision to ask precisely for a 90-cent wage minimum stemmed from a long series of economic conferences involving the President, the Council of Economic Advisors, the Labor Department and the Commerce Department.

Sen. Wayne Morse (Ind.-Ore.) recently recommended that the minimum wage be boosted to \$1 an hour.

Seven Weeks Supply Of Water Pumped Into City Reservoir

Pumping from Middle Fork into the reservoir ended around 2 p. m. yesterday when the water got too low for operations.

During the period of pumping nearly seven weeks of water supply was added.

The 14,500 gallon pump ceased operations at 1 a. m. yesterday and the 3,000 and 750-gallon pumps stopped around 2 p. m.

The Congo pump got out of order during the time the water was high and leaves and debris were coming down the stream, and water department employees were working on it this morning to get it back into operation.

Traffic Toll During 1954 is Lowest Since 1950

CHICAGO (U.P.)—The nation wound up 1954 today with a creditable record of 1,800 fewer traffic deaths than last year.

The National Safety Council said the year's traffic toll of 36,500 lives was the lowest since 1950, even though motor vehicle mileage has jumped more than 20 per cent since then. Traffic accidents in 1953 killed 38,300 persons.

The only month this year when traffic deaths didn't fall below last year was November, when 3,350 persons died, the council said.

The 36,500 total was reached on the basis of reports for the year's first 11 months and an estimated 3,830 deaths in December.

Up until Dec. 1, there were 97 cities with perfect non-fatality records. The three largest are Sioux Falls, S. D., Aurora, Ill., and La Crosse, Wis.

TVA Report Says Expansion Is Imperative

KNOXVILLE, Tenn. (U.P.)—The Tennessee Valley Authority said today that an early major expansion program is imperative so the agency can fill the mushrooming power requirements of atomic plants.

In its annual report to President Eisenhower and to Congress, TVA touched briefly without comment on the controversial Dixon-Yates power contract. The private-public power battle is expected to hit the new Congress and the 1956 presidential campaign.

Middle South Utilities and the Southern company have proposed to build a steam plant at West Memphis, Ark., and to deliver to the Atomic Energy Commission through TVA lines 600,000 kilowatts of power. A storm of controversy rages around the proposed contract which still is unsigned.

The TVA, bitter opponent of the proposal, has asked Congress to allow it to build a new steam plant at Fulton, Tenn., and to make additions at existing installations at the John Sevier steam plant, Gallatin steam plant and Johnsonville steam plant. The TVA budget approved no funds for the proposed work. Instead, the AEC was asked to reduce TVA's commitments to the AEC by a minimum of 500,000 kilowatts by the fall of 1957 by buying power from other sources from the atomic plant at Paducah, Ky. This is the installation that would draw electricity from the proposed Dixon-Yates plant.

The TVA report showed that government agencies, mainly the atomic plants at Oak Ridge, Tenn., and Paducah, increased by 69.4 per cent their use of power during the fiscal year ending June 30, 1954.

The defense load, which amounted to 11.8 billion kilowatt hours during the current year, will expand to about 30 billion within the next two years, the report said. "New generating capacity must be provided soon to meet the future power needs that are developing," the report warned.

Avoid Over-Confidence, Secretary Says

Holds Final Meeting of Year with Newsmen

WASHINGTON (U.P.)—Secretary of State John Foster Dulles said today "the danger of general war" is receding as the free nations develop their unity and strength.

Dulles said that events of 1954 enable us "to face the new year with confidence." But he added quickly that the Free World must beware of over-confidence.

"Hostile forces remain strong and implacable and they are operating with even greater guile than heretofore," Dulles said.

"In face of that undiminished power and guile we cannot expect an unbroken series of successes," he added. "Instead, we cannot hold our own, much less increase our net gain, unless we maintain our vigilance and our efforts on a basis of national unity."

French Give Setback
Dulles said that one setback to the Free World was the French defeat of the European Defense Community.

However, he said that out of that defeat came the plan for Western European Union and French approval of a rearmament West Germany. That plan contains "much of the good" which had been in the EDC.

"This plan has now been approved by the French Assembly in the face of unparalleled pressure from the Soviet communist bloc."

Makes More Points
Dulles made these other points in his final 1954 meeting with newsmen:

1. The Manila Pact nations must "adequately implement" that agreement to make it effective. Dulles said the pact nations plan a meeting in Bangkok in February at which they should consider how to use the mobile striking force which the pact must rely upon. They also will consider effective ways to meet subversion in the pact area.

2. The State Department has not yet received a text of the tentative agreement worked out with Spain governing marriage of U. S. personnel in Spain. When the text arrives, Dulles said, it will be considered by both the State and Defense departments.

The program, he said, provided over 100 bags of candy, two crates of oranges and over 100 toys to children.

The financial report for the Christmas program:

Income—Donations by mail \$208.50, donations by kettles \$310.21, \$518.71 total. Expense—Christmas Cheer order checks \$150, groceries, candy, fruit, toys, vegetables, etc. \$313.14. Total \$463.14. Balance \$55.57.

Lt. Kimmons today thanked all who helped make the program possible.

Shotgun Blast Is Fired In Franklin County

BARABOO, Wis. — Circuit
Judge Bruce Beilfuss today found
the "Joe Must Go" Club guilty on
21 counts of violating state laws
and fined the anti-McCarthy orga-
nization a total of \$4,200.

Sauk County Dist. Atty. Harlan
Kelley said he would issue war-
rants charging all officers and di-
rectors of the club with similar
offenses.

The club, which sought un-
successfully last spring to remove
Sen. Joseph R. McCarthy from
office through a recall election, was
charged with contributing
money from its funds to local
"Joe Must Go" units and with
paying for advertising material
used in the recall drive.

The "Joe Must Go" Club was
founded by Leroy Gore, editor of
the Sauk-Prairie Star at Sauk City.

Mother Arrested For Death of Son

INDIANAPOLIS, Ind. (UP)—Mrs.
Lucy L. Hawkins, 37, was indicted
and arrested today on a murder
charge in the 1949 death of her
4-year-old son.

A grand jury accused Mrs. Haw-
kins of holding David Ray Hawkins
in a bathtub half full of scalding
water. A coroner's verdict listed
death as accidental.

The case was reopened two weeks
ago when two older children of
Mrs. Hawkins complained to police
their mother was mistreating their
small sister, Linda, 8.

"We're afraid the same thing
will happen to her that happened
to David Ray," one of the children
told Sheriff's Capt. Maurice Settles.

Reader is 'Sold' On The Register

It is always heartwarming to
get in the mail with a Daily
Register subscription renewal,
a note like this:

"I read all your ads and
don't have anything to sell, but
I am 'sold' on The Daily Regis-
ter and cannot live without it."
That heartening news comes
from Mrs. Sophie Alexander,
a Harrisburg resident who has
been employed at the Carmi
Baptist children's home for
some time.

A telephone call can be just
as encouraging. Mrs. Kenneth
Aud advertised for a little lost
dog a few days ago. It was a
Brindle bull dog puppy, and
had found a friend in Mrs.
Lionel Luster at Dorris
Heights, who read the ad, called
Mrs. Aud and restored the
dog to her.

Mrs. Luster reads Register
ads and uses them to sell
household items no longer of
use to her and to find domestic
help.

In Memoriam

In loving memory of our dear mother and grandmother, Mrs. Alice Dunn, who passed away one year ago, Dec. 31, 1953.

"MOTHER HAS FALLEN ASLEEP"

"Mother was tired and weary, Weary with toil and pain; Put away her work and glasses She will not need them again. Into Heaven's mansions she has gone, Never to sigh or to weep; After years with life's struggles, Mother has fallen asleep. On the hillside we have lain her In the silent city to lie; And although our hearts are broken We would not question why. She does not rest 'neath the grasses Though over her grave they creep. She has gone into the Kingdom, Mother has fallen asleep. Beautiful rest for the weary, When our life's journey is ended We shall again be with you. This helps us in our sorrow, Then why for her must we weep? For in His word He has promised He giveth His beloved sleep." Sadly missed by children and grandchildren. *156-1

Edwardsville Wins Egyptian Tournament

Tigers Defeat West Frankfort, 72-51, in Finals; Rams Third

The Tigers of Edwardsville last night romped home with the championship of the Egyptian holiday tournament, the third consecutive year that Coach Joe Luceo's boys have captured the trophy.

The Tigers won the tournament at Davenport gym by trouncing West Frankfort, 72 to 51, in the finals before a big crowd. The gym was not full but a lot of fans were on hand.

The Mt. Vernon Rams came out of the meet with the third place trophy, drubbing Carbondale, 77 to 57.

Although the scores of the first half of each game was close and the rout came in the second period.

Paced by Marnie Jackson who scored 28 points, Edwardsville came to life in the last game of the tournament after looking about like any other team in its first two contests. The team was fast and sharp in the title affair, and the boys really passed the ball around.

At the outset Jackson ran up a 6-0 lead but the margin was whittled and at the end of the period the Tigers were out in front, 19 to 16. They kept their lead during the second quarter although at one time Frankfort was behind but a single point, 23-22. The half ended with George Lubell's Frankfort crew behind but four points.

But things broke loose in the third period, when Frankfort could score but six points and Edwardsville hit for 16. The margin was 21 to 14 for Edwardsville in the last canto.

For third place, Carbondale stayed fairly close to the Rams the first two periods, in which Mt. Vernon led, 16-12, at the quarter, and 27-20 at halftime. Again it was the third quarter that put the game on ice, with Mt. Vernon scoring 21 to 10 for Carbondale.

Jarrell Graham for the second consecutive game carried the shooting eye for Mt. Vernon, accumulating 23 points. He was followed by Deichman's 17. For Carbondale, J. Langan had 18 and Dan Kimmel had 15.

Trophies Awarded
Following the final game trophies were given out to the first, second and third place teams. Fourth place team got the basketball.

The crowds stayed well in line during the tournament. That was obvious. And Claud Rhodes, veteran referee, said he could be quoted on the fact that it was one of the nicest tournament crowds he could remember.

Also following the final game sports writers who covered the tournament got together and selected an all-star team for the tournament. Only a first five was chosen.

The selections:
Forwards: Gale Dawson of West Frankfort and Marnie Jackson of Edwardsville. Center: Governor Vaughn of Edwardsville. Guards: Jarrell Graham of Edwardsville. Selections of Dawson, Vaughn and Graham were unanimous.

Dobbs Named Tulsa Grid Coach
TULSA, Okla. — Bobby Dobbs, current Army backfield coach, was named Thursday to a three-year contract as head football coach at Tulsa. His salary was not disclosed.

He replaces Coach Bernie Witucki, who, with his four assistants, was fired last month at the end of a season which Tulsa lost every game it played.

Pinckneyville Wins Tourney At Centralia

Trims Collinsville In Finals; Dupo Is E. St. Louis Winner

SPRINGFIELD (UP) — Amazing Pinckneyville did it again. In its own calm, ball-controlling way, Pinckneyville won the Centralia holiday tourney over some of the state's classiest cage quintets.

The small southern Illinois school, which makes a habit of going to the Sweet 16 state finals, trimmed the Collinsville Kahoks, fresh from an upset win over Centralia.

Biggest surprise of the Thursday night play, was Dupo's 62-54 victory over previously unbeaten East St. Louis. The Flyers were odds-on favorites to coast to the championship in their own tourney.

Other major holiday championships went to: Edwardsville at the Harrisburg Egyptian Tourney; Princeton in the Ottawa Marquette play; Cicero Morton at Kankakee; Alton at Pontiac; Hinsdale at Hinsdale; and Pantou at Pantou.

In regularly scheduled games, Northwest power Rock Island trimmed La Salle-Peru of the Big 8 by a 57-47 count, and Peoria Central thumped Rock Island Alleman 70-41.

Panthers Survive Scare
Duster Thomas had his Pinckneyville court machine well-oiled for the championship game against the Kahoks, but he must have gotten a scare in the afternoon semifinal when Herrin barely lost to the Panthers 42-39.

Collinsville eliminated Bobby Joe Mason and his Centralia teammates 77-73. The Orphans bounced back to take third place from Herrin 70-61.

Edwardsville wasn't pressed in taking the Egyptian title from West Frankfort 72-51. Mount Vernon, ousted Wednesday by West Frankfort, grabbed the consolation 77-57 from Carbondale.

Alton Gets Trophy
Alton won the Pontiac trophy 51-43 from Washington, whose towering center, Gerry Craft, got 22 points and broke the four-game tournament scoring record with 102 points.

Alton's big gun was Tom Velloff, sharp-shooting guard who also got 22 counters. Alton had eliminated tourney-favored Lockport 42-39 in the semi-final.

Cicero Morton showed it is back in contention for a state title by clubbing Tourney Surprises, were completely outclassed.

Princeton won its 10th without defeat but was hard-pressed by Ottawa Marquette 38-35. Rantoul edged Watseka 68-66 for its title at Paxton.

At Buffalo, N. Y., winning the right to oppose St. Bonaventure in Saturday night's finale of the Queen City tournament, Johnny McCarthy tallied 21 points for the winners. Les Roh's 37 points led Idaho State to a 70-69 win over Yale in the opening game.

Kentucky, the nation's No. 1 65.

Notre Dame Wins Sugar Bowl Tourney; Missouri Is Big Seven Champion

By United Press
Notre Dame made a powerful new bid for national basketball recognition via its upset victory in the Sugar Bowl tournament today while Missouri solidified its ranking as the country's 10th best team with an impressive triumph in the Big Seven tournament.

Dropped out of the rankings as a result of four early losses, Notre Dame "bounced back" Thursday night with a 74-69 victory over Holy Cross, the nation's 18th-ranked team and the defending Sugar Bowl champion. Rugged rebounding proved the key to victory as the Irish overcame a brilliant 30-point performance by the Crusaders' Tom Heinsohn.

Capt. John Stephens scored 24 points and Lloyd Aubrey contributed 15 for Notre Dame, which fought to a 29-29 halftime tie and then moved into a 50-45 lead midway in the second half. The Irish had to battle all the way, however, as the wild second half produced 11 ties. Bradley beat Loyola of the South, 77-71, in the consolation game.

Missouri Easy Victor
At Kansas City, Mo., meanwhile Missouri's Tigers clicked on 51.9 per cent of their shots in the first half to run up a 45-38 halftime lead and cruise to an easy 89-71 victory over Kansas State in the Big Seven title game. Iowa State beat Oklahoma, 71-64, for third place.

George Washington, Dartmouth and the University of Maryland also were crowned tournament champions Thursday night as the Christmas Week tournament fever reached its climax.

George Washington, paced by center Joe Huston's 29 points, defeated Richmond 89-75, to win the Richmond Invitational tournament at Richmond, Va. Forward Corky Devlin, who tallied 27 points for the Colonials, was voted the tournament's Most Valuable Player.

Kevin Thomas of Boston University, however, scored 45 points in an 83-60 win over Rutgers to set a new tournament record and share the spotlight with the Colonials.

At Storrs, Conn., underdog Dartmouth shocked Art Oumby and beat Connecticut 66-65, on a 30-foot shot by center Dick Fairley with only four seconds remaining in the game to win the New England college tournament. The victory was Dartmouth's seventh straight.

Terms Win All-American
At Owensboro, Ky., Kentucky won its second straight Kentucky All-American tournament by defeating top-seeded and 13th-ranked Cincinnati, 78-61. Maryland led all the way.

At Buffalo, N. Y., winning the right to oppose St. Bonaventure in Saturday night's finale of the Queen City tournament, Johnny McCarthy tallied 21 points for the winners. Les Roh's 37 points led Idaho State to a 70-69 win over Yale in the opening game.

Kentucky, the nation's No. 1 65.

WE'VE seen some high peaks of interest in our new cars of the years — but never anything like this.

Since the day we unveiled these glamorous new Buicks, people have been coming in—not only to see and study and sit in these great cars—but, very definitely, to drive them.

They want, it seems, a firsthand taste of the thrills that Buick engineers have conjured up for this new year.

And who can blame them?

For the word's around that Buick has what no other car has—a new kind of performance from a new kind of transmission.

It's called Variable Pitch Dynaflo Drive.* It uses the principle of the modern airplane's variable pitch propeller. And it does in oil what that aeronautical marvel does in air.

Thrill of the year is Buick

Hammaraskjold In London On Way to China

Says He Doubts
He Can Persuade Reds
To Free Prisoners

LONDON (AP) — United Nations Secretary General Dag Hammarskjold arrived here today on the first stage of his 14,000-mile "free-the-fliers" mission to Red China.

The special U. S. Air Force plane that brought Hammarskjold here from New York touched down at London airport in soupy weather shortly after noon.

He told newsmen at the airport that he doubts he will be able to persuade Communist Premier Chou En-Lai to free 11 U. S. airmen and 2,850 other allied military men held in Red jails.

"But I will do my best," he said. Dag Refuses Questions

The U. N. official read a prepared statement but refused to answer questions, saying he felt that to do so "would not help operations at this point."

Hammarskjold's statement was essentially similar to one he made just before leaving New York Thursday.

"I believe it would serve a useful purpose to have a personal talk with Mr. Chou En-Lai," he said.

"I do not know what the outcome will be but I will do my best, bearing in mind not only the general international interests involved but also the individual interests of the captives' families."

Hung Hsiang, the charge d'affaires of Red China in London, put in one of his rare public appearances at the airport to welcome Hammarskjold. The Chinese diplomat smiled broadly and shook the secretary general's hand warmly.

Stepping inside the airport buildings, the two men huddled for a short talk.

Meets With Eden

Hammarskjold drove from the airport to lunch with Foreign Secretary Anthony Eden at Eden's country home west of London. He will dine tonight with Minister of State Anthony Nutting.

Prime Minister Winston Churchill is said to be vitally interested in finding a way to persuade the Communists to relent.

Hammarskjold will fly on Saturday to Paris, where he will confer with Premier Pierre Mendes-France during a brief stopover at the airport.

Some observers believe Mendes-France will ask the U. N. official to sound out the Communists on prospects for a new international conference which he hopes to arrange early next year.

Hammarskjold found little optimism in Europe about the outcome of his trip halfway around the world. He carried the continent's hopes, but few were willing to forecast success for his mission.

Army to Release 44,000 Draftees In May, June Before Service Ended

WASHINGTON (AP) — The Army announced today that it will release some 44,000 draftees next May and June before they complete their two year term of service.

The action is being taken in order to meet lower manpower ceilings.

Current plans, which are pending final approval, call for the early release in May of draftees completing 23 months of service and of draftees in June completing 22 months of service.

The Army said it plans to resume the normal 24 months of service for draftees after June.

A similar early release program is planned during March through June for about 3,400 reserve lieutenants serving their initial obligatory 24-month tour of active duty.

Under the administration's new military manpower program, the strength of the Army is due to be reduced from 1,343,000 as of Nov. 30 to 1,100,000 by June 30, 1955.

Another 100,000 man cut is planned in the fiscal year beginning July 1, 1955.

The Army said that much of the reduction in strength in the next six months is expected to be achieved through substantially reduced draft calls starting in February.

The draft call for February already has been cut to 11,000, a 12,000-man drop from the level prevailing for the past several months.

The Army said the monthly draft call level of 11,000 is expected to continue at least through next June.

China Reopens Spy Charges Against U. S.

Peiping Radio
Quotes Alleged
Coded Messages

TOKYO, (Saturday) (AP) — Peiping Radio today reopened its spy charges against America by quoting alleged coded messages sent by espionage agents from China to Japan.

Peiping Radio monitored here said that messages were printed Friday in the Peiping Peoples Daily, an official organ of the Communist government.

The broadcast said "coded messages to and from U. S. air-dropped spies involved in the Downey-Fecteau espionage case are quoted in articles in today's Peking Peoples Daily."

The Communist broadcast said, "The spies were told by John Thomas Downey that there were thousands of underground forces in the mountains in northeast China. But when they were air-dropped in the mountains of Kirin province, they discovered that searching parties were trying to locate them."

"The code messages," the broadcast said, "to the Atsuki Japan, espionage organization of U. S. Central Intelligence Agency, said: 'Hungry, tired and sick... only two days food left.'"

Says Caught Second Time

The Chinese Communist broadcast claimed that two days later a message was sent which said, "No more food. Can air drop be carried out... please inform type of aircraft, number parachutes, time air dropping."

The broadcast said that two days later a message was sent which allegedly read: "Without food for two days. Living on water. Waiting supplies."

Communist China said that the U. S. espionage headquarters in Japan" replied, "Supplies to be dropped between 24th and one hour on 14th, 15th or 16th of August... if homing device damaged, set three to form triangle."

Peiping Radio said, "The supplies came shortly after midnight on August 14, 1952, on a C47 plane with no markings."

Peiping Radio said that "in these circumstances that Downey came again, this time with Fecteau, to bring supplies to the spies and pick up one of them."

"But they were caught," the Communist broadcast said, "after their plane was shot down on the night of Nov. 29, 1953."

Olney Woman
Is 105 Today

OLNEY, Ill. (AP) — Mrs. Louise Godejohann, probably the oldest resident in southeastern Illinois, turned 105 today.

She celebrated her birthday quietly with her family at her home here where she had lived 81 years. She refused permission to photographers to take her picture.

She didn't want any fanfare or publicity, she said.

Mrs. Godejohann is the widow of William Godejohann, who died in 1940. He was the leading cigar-maker of that once thriving Olney trade.

The couple was married in St. Clair County, Ill., in 1871. She was born Louise Lubben in St. Louis, Mo., in 1849.

Mrs. Lulu Norby of Chicago is the sole survivor among her four children.

An active member of the First Presbyterian church here, Mrs. Godejohann likes to walk for exercise. She broke her hip about three years ago, but has completely recovered.

Freak Accident Blocks Suez Canal

PORT SAID, Egypt (AP) — A freak accident blocked the Suez Canal today. Authorities said the vital link between Europe and Asia will be closed for at least four days.

The accident occurred at 3 a. m. when the second ship in a line-up convoy enroute between Suez and Port Said struck a military bridge across the canal and then ran aground on the sand banks.

The bridge collapsed across the ship, pinning it to the bottom of the channel. The ship was the 10,892-ton Liberian tanker, World Peace, carrying oil to Europe from the Persian Gulf.

The Pledger-Walton West Beulah Heights Unit No. 1, 340 feet north and 335 feet east of the SWE NW SE 20-8S-7E, was drilling at 1329.

The Stelle Associates' J. P. Collins et al. Communized No. 2, NE NE SE 20-8S-7E was preparing to re-fracture the Waltersburg, perforating at 2123-27 with 24 holes. Total depth was 2985, plugged back to 2165.

G. L. Reesor's James H. Porter No. 4, NE SE SW 23-8S-7E, was cleaning out and testing the Aux Vases lime at 2893-99.

Communist Nations Angry At French Action; West Reaction Is Opposite

LONDON (AP) — Communist East Germany, Poland and Czechoslovakia announced today they will increase their armed forces and take "common defense measures" against a rearmored West Germany.

The official announcement, made by Prague Radio, followed by a few hours a Moscow radio denunciation of French ratification of the Paris accords to rearm Germany. Moscow said the act would aggravate the danger of a new war.

The broadcast from Communist Czechoslovakia's official radio announced the first satellite step in rubber-stamping the decision taken in Moscow Dec. 2 to mass an eight-nation Red military alliance if Western Germany is rearmored.

Delegates of the three Soviet satellites, meeting at the Czech parliament Building in Prague, sent an 11th hour warning to France Thursday against ratification.

Today Radio Prague said they approved a resolution calling for a European collective security pact.

"Our three nations will not remain impassive to the threat of Germany's rearmament and the revival of German militarism," the resolution said.

"We will increase our defense forces in order to lead the policy of peaceful cooperation among nations to a victory over the policy of war."

"The only way to guarantee security for all European nations is the creation of a European collective security system instead of a system of various military blocs."

The Communist action was not unexpected. Communist quarters throughout the world denounced the French action.

Western reaction was the opposite. Almost all the Western allies expressed gratification at the French General Assembly's action. Some expressed disappointment at the small margin of victory of Premier Pierre Mendes-France.

The general feeling in Western circles was one of relief—and wondering what the Communists would do to counteract the action.

A hint of the Communist action came earlier from Berlin where Johannes Dieckmann, a Soviet Zone political leader, said Communist East Germany, Poland and Czechoslovakia were building a "firm wall" against West German "militarism."

But Weeks pointed out that the year's end finds production rising, and business investing in new plants at a high rate. He forecast that this upswing will continue, bringing a moderate rise in living standards in 1955.

Weeks made no specific prediction about unemployment, which averaged 3,300,000 during 1954 compared to 1,524,000 in 1953. Leading business and labor economists have forecast that unemployment will rise during the coming year. They believe the growing U. S. population will bring new job-seekers into the market faster than business expansion opens up new jobs.

Outlook for Business 'Very Good': Weeks

WASHINGTON (AP) — The business outlook for the new year is "very good," Secretary of Commerce Sinclair Weeks said today.

In a year-end review, he depicted 1954 as a pretty good year for business, even though not up to 1953's record prosperity.

He predicted 1955 will be "an even better year for the American people" than 1954.

Weeks said the nation's economy was in a downturn during the opening months of the year, leveled off and remained stable during the middle months, and started moving up in the final months.

Averaging out the year as a whole, Americans have a little less income to spend or save, unemployment was more than twice as high, corporation profits were lower, and production was off about 7 percent compared to boom 1953. Construction was the only major line of activity which had a better record in 1954 than 1953.

But Weeks pointed out that the year's end finds production rising, and business investing in new plants at a high rate. He forecast that this upswing will continue, bringing a moderate rise in living standards in 1955.

Weeks made no specific prediction about unemployment, which averaged 3,300,000 during 1954 compared to 1,524,000 in 1953. Leading business and labor economists have forecast that unemployment will rise during the coming year. They believe the growing U. TVA Report Says Expansion Is Imperative

KNOXVILLE, Tenn. (AP) — The Tennessee Valley Authority said today that an early major expansion program is imperative so the agency can fill the mushrooming power requirements of atomic plants.

In its annual report to President Eisenhower and to Congress, TVA touched briefly without comment on the controversial Dixon-Yates power contract. The private-public power battle is expected to hit the new Congress and the 1956 presidential campaign.

Middle South Utilities and the Southern company have proposed to build a steam plant at West Memphis, Ark., and to deliver to the Atomic Energy Commission through TVA lines 600,000 kilowatts of power. A storm of controversy rages around the proposed contract which still is unsigned.

The TVA, bitter opponent of the proposal, has asked Congress to allow it to build a new steam plant at Fulton, Tenn., and to make additions at existing installations at the John Sevier steam plant, Gallatin steam plant and Johnsonville steam plant. The TVA budget approved no funds for the proposed work. Instead, the AEC was asked to reduce TVA's commitments to the AEC by a minimum of 500,000 kilowatts by the fall of 1957 by buying power from other sources from the atomic plant at Paducah, Ky. This is the installation that would draw electricity from the proposed Dixon-Yates plant.

The TVA report showed that government agencies, mainly the atomic plants at Oak Ridge, Tenn., and Paducah, increased by 69.4 percent their use of power during the fiscal year ending June 30, 1954.

The defense load, which amounted to 11.8 billion kilowatt hours during the current year, will expand to about 30 billion within the next two years, the report said.

"New generating capacity must be provided soon to meet the future power needs that are developing," the report warned.

'Joe Must Go' Club Found Guilty of Violating Law; Fined

BARABOO, Wis., Dec. 23 — Circuit
Judge Bruce Bellus today found
the "Joe Must Go" Club guilty on
21 counts of violating state laws
and fined the anti-McCarthy orga-
nization a total of \$4,200.

Saline County Dist. Atty. Harlan
Kelley said he would issue war-
rants charging all officers and di-
rectors of the club with similar
offenses.

The club, which sought un-
successfully last spring to remove
Sen. Joseph R. McCarthy from
office through a recall election,
was charged with contributing
money from its funds to local
"Joe Must Go" units and with
paying for advertising material
used in the recall drive.

The "Joe Must Go" Club was
founded by Leroy Gore, editor of
the Sauk-Prairie Star at Sauk City.

Mother Arrested For Death of Son

INDIANAPOLIS, Ind. (AP)—Mrs.
Lucy L. Hawkins, 37, was indicted
and arrested today on a murder
charge in the 1949 death of her
4-year-old son.

A grand jury accused Mrs. Haw-
kins of holding David Ray Hawkins
in a washtub half full of scalding
water. A coroner's verdict listed
death as accidental.

The case was reopened two weeks
ago when two older children of
Mrs. Hawkins complained to police
their mother was mistreating their
small sister, Linda, 8.

"We're afraid the same thing
will happen to her that happened
to David Ray," one of the children
told Sheriff's Capt. Maurice Selties.

Reader is 'Sold' On The Register

It is always heartwarming to
get in the mail with a Daily
Register subscription renewal,
a note like this:
"I read all your ads and
don't have anything to sell, but
I am 'sold' on The Daily Regis-
ter and cannot live without it."

That heartening news comes
from Mrs. Sophie Alexander,
a Harrisburg resident who has
been employed at the Carmi
Baptist children's home for
some time.

A telephone call can be just
as encouraging: Mrs. Kenneth
Aud advertised for a little lost
dog a few days ago. It was a
Brindle bull dog puppy, and
had found a friend in Mrs.
Lionel Luster at Dorris
Heights, who read the ad, called
Mrs. Aud and restored the
dog to her.

Mrs. Luster reads Register
ads and uses them to sell
household items no longer of
use to her and to find domestic
help.

In Memoriam
In loving memory of our dear mother and grandmother, Mrs. Alice Dunn, who passed away one year ago, Dec. 31, 1953.
"MOTHER HAS FALLEN ASLEEP"
"Mother was tired and weary,
Weary with toil and pain;
Put away her work and glasses
She will not need them again.
Into Heaven's mansions she has gone,
Never to sigh or to weep;
After years with life's struggles,
Mother has fallen asleep.
On the hillside we have lain her
In the silent city to lie;
And although our hearts are broken
We would not question why.
She does not rest 'neath the grasses
Though over her grave they creep.
She has gone into the Kingdom,
Mother has fallen asleep.
Beautiful rest for the weary,
Well deserved rest for the true;
When our life's journey is ended
We shall again be with you.
This helps us in our sorrow,
Then, why for her must we weep?
For in his word He has promised
He giveth his beloved sleep."
Sadly missed by children and grandchildren. 156-1

Edwardsville Wins Egyptian Tournament

Tigers Defeat West Frankfort, 72-51, in Finals; Rams Third

The Tigers of Edwardsville last night romped home with the championship of the Egyptian holiday tournament, the third consecutive year that Coach Joe Lucco's boys have captured the big trophy.

The Tigers won the tournament at Davenport gym by trouncing West Frankfort, 72 to 51, in the finals before a big crowd. The gym was not full but a lot of fans were on hand.

The Mt. Vernon Rams came out of the meet with the third place trophy, drubbing Carbondale, 77 to 57.

Although the scores of both games indicated routs, the first half of each game was close and the rout came in the second period.

Paced by Mammie Jackson who scored 28 points, Edwardsville came to life in the last game of the tournament after looking about like any other team in its first two contests. The team was fast and sharp in the title affair, and the boys really passed the ball around.

Break Loose in Third

At the outset Frankfort ran up a 6-0 lead but the margin was whittled and at the end of the period the Tigers were out in front, 19 to 16. They kept their lead during the second quarter although at one time Frankfort was behind but a single point, 23-22. The half ended with George Lubell's Frankfort crew behind but four points.

But things broke loose in the third period, when Frankfort could score but six points and Edwardsville hit for 16. The margin was 21 to 14 for Edwardsville in the last canto.

For third place, Carbondale stayed fairly close to the Rams the first two periods, in which Mt. Vernon led, 16-12, at the quarter, and 37-30 at halftime. Again it was the third quarter that put the game on ice, with Mt. Vernon scoring 21 to 10 for Carbondale.

Jarrell Graham for the second consecutive game carried the shooting eye for Mt. Vernon, accumulating 23 points. He was followed by Deichman's 17. For Carbondale, J. Langan had 18 and Dan Kimmel had 15.

Trophies Awarded

Following the final game trophies were given out to the first, second and third place teams. Fourth place team got the basketball.

The crowds stayed well in line during the tournament. That was obvious. And Claud Rhodes, veteran referee, said he could be quoted on the fact that it was one of the nicest tournament crowds he could remember.

Also following the final game sports writers who covered the tournament got together and selected an all-star team for the tournament. Only a first five was chosen.

The selections:

Forwards: Gale Dawson of West Frankfort and Mammie Jackson of Edwardsville. Center: Governor Vaughn of Edwardsville. Guards: Jarrell Graham of Mt. Vernon and Bill Penelton of Edwardsville. Selections of Dawson, Vaughn and Graham were unanimous.

Dobbs Named Tulsa Grid Coach

TULSA, Okla., (AP) — Bobby Dobbs, current Army backfield coach, was named Thursday to a three-year contract as head football coach at Tulsa. His salary was not disclosed.

He replaces Coach Bernie Witucki, who, with his four assistants, was fired last month at the end of a season which Tulsa lost every game it played.

Pinckneyville Wins Tourney At Centralia

Trims Collinsville In Finals; Dupo is E. St. Louis Winner

SPRINGFIELD, Ill. — Amazing Pinckneyville did it again. In its own calm, ball-controlling way, Pinckneyville won the Centralia holiday tourney over some of the state's classiest cage quintets.

The small southern Illinois school, which makes a habit of going to the Sweet 16 state finals, trimmed the Collinsville Kahoks, fresh from an upset win over Centralia.

Biggest surprise of the Thursday night play, was Dupo's 62-54 victory over previously unbeaten East St. Louis. The Flyers were odds-on favorites to coast to the championship in their own tourney.

Other major holiday championships went to: Edwardsville at the Harrisburg Egyptian Tourney; Princeton in the Ottawa Marquette play; Cicero Morton at Kankakee; Dalton at Pontiac; Hinsdale at Hinsdale; and Rantoul at Paxton.

In regularly scheduled games, Northwest power Rock Island trimmed La Salle-Peru at the Big 8 by a 57-47 count, and Peoria Central thumped Rock Island Altman 70-41.

Panthers Survive Scare

Duster Thomas had his Pinckneyville court machine well-oiled for the championship game against the Kahoks, but he must have gotten a scare in the afternoon semifinal when Herrin barely lost to the Panthers 42-41.

Collinsville eliminated Bobby Joe Mason and his Centralia teammates 77-73. The Orphans bounced back to take third place from Herrin 70-61.

Edwardsville wasn't pressed in taking the Egyptian title from West Frankfort 72-51. Mount Vernon ousted Wednesday's West Frankfort, grabbed the consolation 77-57 from Carbondale.

Alton Gets Trophy

Alton won the Pontiac trophy 51-43 from Washington, whose towering center, Gerry Graff, got 22 points and broke the four-game tournament scoring record with 102 points.

Alton's big gun was Tom Velloff, sharpshooting guard who also got 22 counters. Alton had eliminated tourney-favored Lockport 42-39 in the semi-final.

Cicero Morton showed it is back in contention for a state title by clubbing Wood River 69-46. The Oilers, tourney surprises, were completely outclassed.

Princeton won its 10th without defeat but was hard-pressed by Ottawa Marquette 38-35. Rantoul edged Watseka 68-66 for its title at Paxton.

Eight Bowl Games to Lure 450,000 Fans

By United Press

Approximately 450,000 fans are expected to jam stadiums in eight different cities Saturday to see the annual New Year's Day football extravaganza with the Rose Bowl, the granddaddy of them all, luring its usual 100,000 plus.

The undefeated Buckeyes of Ohio State University, ranked No. 2 nationally by the United Press Board of Coaches and the best team in the Big Ten this year, are 13½-point favorites to defeat Southern California's Trojans, representing the Pacific Coast Conference, in the Rose Bowl at Pasadena, Calif.

The Rose Bowl, the Sugar Bowl at New Orleans, La., the Orange Bowl from Miami, Fla., and the Cotton Bowl from Dallas, Tex., will be telecast and broadcast nationally, while the Salad Bowl from Phoenix, Ariz., the Sun Bowl from El Paso, Tex., and the Tangerine Bowl from Orlando, Fla., will be aired regionally.

The West All-Stars have been installed two-point favorites in the East-West Shrine game and the odds are expected to go even higher if Ralph Guglielmi, Notre Dame's All-America quarterback, fails to overcome a "severe chest cold."

Play to Begin Monday in Church Basketball League

Play in the Harrisburg church-sponsored basketball league is scheduled to get underway Monday, Jan. 3 at 6 p. m. in the Junior high school gymnasium.

The gym has been obtained for three nights per week — Monday, Tuesday and Friday — and it is hoped that four games can be played each evening. That will assure each team of playing at least one game per week.

It is planned to play games in the younger league first each night and then follow through with play in the older division.

First game scheduled has the Social Brethren and the First Baptist facing each other, followed by another younger boys game featuring the McKinley Avenue Baptist and First Christian.

In senior league play Monday it will be the Nazarene vs. Salvation Army and McKinley Avenue Baptist vs. Mt. Calvary General Baptist.

Notre Dame Wins Sugar Bowl Tourney; Missouri Is Big Seven Champion

By United Press

Notre Dame made a powerful new bid for national basketball recognition via its upset victory in the Sugar Bowl tournament today while Missouri solidified its ranking as the country's 10th best team with an impressive triumph in the Big Seven tournament.

Dropped out of the rankings as a result of four early losses, Notre Dame "bounced back" Thursday night with a 74-69 victory over Holy Cross, the nation's 10th-ranked team and the defending Sugar Bowl champion. Rugged rebounding proved the key to victory as the Irish overcame a brilliant 30-point performance by the Crusaders' Tom Heinsohn.

Capt. John Stephens scored 24 points and Lloyd Aubrey contributed 15 for Notre Dame, which fought to a 29-29 halftime tie and then moved into a 50-45 lead midway in the second half. The Irish had to battle all the way, however, as the second half produced 11 ties. Bradley beat Loyola of the South, 77-71, in the consolation game.

Missouri Easy Victor

At Kansas City, Mo., meanwhile Missouri's Tigers checked on 51.9 per cent of their shots in the first half to run up a 45-28 halftime lead and cruise to an easy 89-71 victory over Kansas State in the Big Seven title game. Iowa State beat Oklahoma, 71-64, for third place.

George Washington, Dartmouth and the University of Maryland also were crowned tournament champions Thursday night as the Christmas Eve tournament fever reached its climax.

George Washington, paced by center Joe Holub's 29 points, defeated Richmond, 89-75, to win the Richmond Invitational tournament at Richmond, Va. Forward Corky Devlin who tallied 27 points for the Colonials, was voted the tournament's Most Valuable Player. Kevin Thomas of Boston University, however, scored 45 points in a new tournament record and shared the spotlight with the Colonials.

At Storrs, Conn., underdog Dartmouth shocked Art Oumby and beat Connecticut, 66-65, on a 30-foot shot by center Dick Fairley with only four seconds remaining in the game to win the New England college tournament. The victory was Dartmouth's seventh straight.

Terms Win All-American

At Owensboro, Ky., Maryland won its second straight Kentucky All-American tournament by defeating 10-seeded and 13th-ranked Cincinnati, 72-61. Maryland led all the way.

At Buffalo, N. Y., Canisius defeated Georgia Tech, 70-56, winning the right to oppose St. Bonaventure in Saturday night's finale of the Queen City tournament. Johnny McCarthy tallied 21 points for the winners. Les Roh's 37 points led Idaho State to a 70-69 win over Yale in the opening game.

Kentucky, the nation's No. 1, 65, team, crushed St. Louis University 82-65, at Lexington, Ky., for its 129th consecutive win at home and 31st straight victory over a two-year period. Phil Gravemeyer scored 20 points for Kentucky and Jim McLaughlin 24 for St. Louis.

In other games, Robin Freeman, the nation's leading scorer, tallied 24 points to lead Ohio State to a 72-61 victory over Oklahoma City; Iowa staged a 43-point second half to crush Stanford, 73-46; DePaul rolled over Manchester, 102-74; Michigan routed Valparaiso, 82-55, and Michigan State defeated Penn State, 85-74.

"I'm going to drive that 1955 BUICK!"

WE'VE seen some high peaks of interest in our new cars over the years — but never anything like this.

Since the day we unveiled these glamorous new Buicks, people have been coming in—not only to see and study and sit in these great cars—but, very definitely, to drive them.

They want, it seems, a firsthand taste of the thrills that Buick engineers have conjured up for this new year.

And who can blame them?

For the word's around that Buick has what no other car has—a new kind of performance from a new kind of transmission.

It's called Variable Pitch Dynaflo Drive. It uses the principle of the modern airplane's variable pitch propeller. And it does in oil what that aeronautical marvel does in air.

At one pitch of the blades inside the Dynaflo unit, you get more fuel efficiency in normal cruising and driving—which means better gas mileage, pure and simple.

But push the gas pedal beyond the full throttle position and you switch the pitch. Instantly, you get electrifying response—a sudden safety-surge of accelerating power to get you quickly out of a tight spot—and with the absolute smoothness that is constant in Dynaflo Drive.

Maybe you, too, have made a mental resolution to drive a '55 Buick—but why wait?

We're ready, willing and eager to let you try one—feel the spectacular new power that gives life to this bounteous beauty—and see for yourself that here is a performance thrill too exciting to miss. Drop in on us this week, won't you?

It is past midnight, and I must go. For this is the New Year, and I am the Old.

Some call me Father Time.

Some cringe from me, and are glad to see me leave.

Others have learned to know me for what I am. They take advantage of every golden hour, and the rule by which they live is golden too... doing unto others what they would have others do unto them. These are the ones who believe... whose lives are rich in Faith, based upon God's teaching.

If every man would make a single resolution, this New Year... if he would resolve to attend his Church and to base his life upon its principles... the meaning of fear would vanish from the earth and, under God's benediction, the world would move toward peace.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The Bible—Our Foundation

John 20:31; Romans 15:14; II Timothy 3:14-17; Hebrews 4:12, 11; Peter 1:16-21

GOLDEN TEXT: "These are written that ye might believe that Jesus is the Christ, the Son of God; and that believing, ye might have life through his name" (John 20:31)

Introduction: Ask most any person you meet if he believes in the Bible as the foundation for his religious belief, and his answer will be an emphatic "Yes." Yet, the average person spends little or no time reading his Bible. He accepts what his minister or Sunday school teacher has to say as being authentic. Ministers and Sunday school teachers have such a limited amount of time (thirty minutes each week) to get the message across to the individual, that many people are drastically limited in Bible knowledge.

My friend, you should read your own Bible daily. It is God's food for your spiritual life. (If you do not have a Bible, write to me, and I will give you one absolutely free of charge.) How can you ever expect to grow spiritually if you do not feed your soul on God's food? **1 GOD'S WORD, YOUR FOOD** (John 20:31; Romans 15:14; II Timothy 3:14-17)

Every person needs a foundation for daily living and a foundation for the time of death. Every person wants to know that his sins can be forgiven. There is no person so sinful but that his sins can be forgiven.

The answer to all sin and all problems is found in the Bible. The Bible tells us that Jesus Christ is God revealed unto man. He is the answer to every situation.

One thing is sure: Each person who reads God's Word will make a decision concerning His Son Christ. Each person will either accept or reject Him, but a decision will be made.

Verse 15 tells us that children must be taught the Word of God. The scriptures are able to make

the child "wise unto salvation." Mother and dad, how long since you have read your Bible to your children? You should, you know. **II GOD'S WORD, INSPIRED** (II Timothy 3:16-17; Heb. 4:12, 11; Peter 1:16-18)

When you read the Bible, it is God speaking in you. You are not reading some fairy tale nor the figment of some man's imagination. The events you read in God's Word are actual, living events. It is different from any other Book ever written. It is inspired. By being inspired we mean that God used men to write down the words of the Bible for all generations to come.

This is one of the things we do not understand, but we accept it by faith. Christianity is based upon faith. "Without faith it is impossible to please God."

CONCLUSION: GOD'S WORD, A LIGHT

Here Simon Peter compares the Bible to a light shining in darkness. That is exactly what the Bible has proven itself to be. Countless millions of people have had their lives changed by reading it. It will be a "light unto any man's pathway and a lamp unto his feet." If he will only read God's Word daily.

This is a dark world in which we live. Christ, "the light of the world," is coming back to the earth some day. When he does return, there will be no more darkness. You can learn of all these things by reading your Bible daily. A good New Year's resolution would be to determine to do this very thing. Start right now.
